CHAINSAW CARVING!! TREE TRUNK SCULPTURE

Have you noticed the lone tree stump remaining on the green..... Mosley Common Village has a vast mining history, so we have come up with the idea of having a chainsaw carved sculpture of a miner's bust, with hat and head lamp. This is a very specialized skill, and it will be an exciting event. Why not go along and see the sculpture emerge?

GARDENING UPDATE

Gateway flowerbed You will see that this is now complete, and we are sure you will agree looks fantastic. We have also stained the fence at the back green, and planted a border of wild flowers along the fence. We hope these will provide a lovely backdrop to the newly landscaped bed and also attract bees and butterflies etc.

New Beds/Improvements The wheel flowerbed should be replanted for summer in early June. The other beds will follow on from this.

Planters 3 new 1m² Planters will be delivered this month, sited near Eddies and St John's school and planted up sustainably.

Regeneration Project We thank you for supporting our group's attempt to secure £25,000 worth of funding to regenerate the wooded area at the bottom of the playing field.

Although we failed on this occasion, we will of course continue to seek funding for this project.

Weeding—We desperately need more help with weeding. If you can spare an hour per week this would be very much appreciated—please get in touch.

The Judges are Coming!!

As you may know last year MCIB was awarded a level 3 and an outstanding Award for Best Developing Community Project by the RHS. The Village will be judged again this year on the afternoon of Wednesday 23rd July. Once more we would really appreciate your help in trying to get the best results possible. To be successful we need to ensure that the village is looking its best on the day and we hope that we can rely on your support with this. We will be doing a litter-pick on the morning of the judging day but if you could ensure that the front of your property is clear of litter/weeds that would really help.

MCCG TO CLOSE

It is with sadness that we have to report that after nearly 7 years the Mosley Common Community Group is having to close due to lack of people willing to be involved in running the group. However, it is hoped that MCIB will maintain as many of the public activities as possible. If anybody has any queries please contact Keith Worthington on 0161 702 8566
