**Are you technologically minded?  
Have you got a bit of spare time?**

**WE NEED YOU!!**

A huge Thank you to PJ Web design who have very kindly created a village website for us. But we need someone with a bit of time, interest in the village and technological know-how to run it for us. Knowledge of creating Twitter and Facebook accounts would also be useful and of course it would look good on a CV! If you are interested please contact us on the e-mail or phone number above.
